January 2018

Dear Parent / Carer,

Re: GCSE Geography Support Sessions

We are offering your son/daughter further support with GCSE Geography. Extra sessions will take place during lunchtime on Tuesdays from 1:35-1:55pm and after school on Wednesdays from 3:35-3:55pm.

As both sessions will cover the same topic area, pupils are only expected to attend one each week. We want to give pupils the opportunity to pick a session that best suits their timetable.

I will lead the sessions, which will focus on the structuring and practising of exam questions, the main issue highlighted by the recent mock exams. We will start from Tuesday 23rd January and will continue until pupils leave in the summer.

Although these sessions are available to all GCSE Geography pupils on a voluntary basis, we have identified your son/daughter as a pupil who would particularly benefit. As such, we would ask them to make this a part of their weekly timetable. We also recommend that pupils buy a specific notebook or folder to store their practised exam questions as this will help them when it comes to revision.

Parental support in this matter would be much appreciated.

Yours sincerely,

Mr L Walker

Head of Geography
