Dear Parents,

Re: Revision Guide for History

As part of preparations for the Unit 2 History examination next summer, we would like to offer you the opportunity to purchase a copy of AQA Revision guide. The revision guides normally cost £6.95 to purchase but the school has secured a discounted price from our supplier of £3.25. This revision guide covers all the content required for both the Paper 1 and 2 examinations.

If you would like to purchase this revision guide, the preferred method of payment is via ParentMail PMX. However, cheques made payable to St Mark's school are also accepted. Payment is required by Friday 23 February.

Yours sincerely,

Mr Wootton
Head of Learning Area for Humanities
